

Tom Deimler Family Philmont Scholarship Endowment

Tom Deimler served as a Boy Scouts of America professional for over forty years. Throughout his career, and to this day, Tom has given his full support to Philmont's training and high adventure programs. He believes in the life-changing power of Philmont and recognizes the Philmont Experience develops a Scout's self-reliance and leadership skills. He also knows Philmont helps the Scout bring real meaning to the aims and methods of Scouting.

With this in mind, in honor of his long service to Scouting and in memory of his dedicated wife Shirley, he and his family:

Eagle Scout Tom Jr. and his wife Joy
Life Scout Steve and his wife Rita
Eagle Scout Mike and his wife Dian

have created *The Tom Deimler Family Philmont Scholarship Endowment* for the purpose of awarding at least one annual scholarship to a selected Scout to join a unit or local council Philmont crew. Making it possible for that Scout, or Scouts, to benefit from a Philmont experience.

You can join Tom and his family in this effort.

The establishment of this endowment is intended to provide sufficient earned interest to cover a full individual Philmont fee for a Scout on an annual basis. Additional income could provide a partial or even a second full scholarship. Any extra monies each year would be transferred to the principal to help guarantee the fund's future.

Tom has started the fund with an initial gift to the endowment with the intent of offering a scholarship for the upcoming Philmont camping season. Also, he has made it possible for family, friends, and Scouters to make direct contributions to the fund. Such gifts will go directly into the principal.

Information about making a contribution to the fund is on the next page.

Tom has earmarked additional funds from the Shirley A. and Thomas R. Deimler Family Trust in his will to be transferred into the scholarship endowment.

An application for scholarship consideration is being developed and will be released to all local BSA councils each year.
